

2020 Autumn Newsletter

Hello everyone,

It is a long time since our last email but we haven't forgotten our Hippo families. We have been thinking hard about how and when we can restart Hippos in a Covid-safe way. Our conclusion is to have Hulland Hippos Outdoors as outdoors is proving to have the lowest risk of catching the virus.

Our first Hippo Outdoors morning will be on Wednesday 16th September but it will be very different from pre-lockdown Hippos. We are proposing to meet at Millfields carpark, Carsington Reservoir for a toddler-friendly pushchair-able walk with a 'bring-your-own snack' picnic. We will produce some sort of nature / treasure hunt for the children. It will be a great opportunity for catching up with each other, and for us to see how your little ones have grown!! However, we have to restrict numbers to 30 so you will need to book. More details, Covid-safe practices and how to book will be sent in a further email.

We hope you are all well and enjoying getting out and about again.

One more important thing is to send our very best wishes to Emilia, Tillie, Arrietty, Martha and Alice who are all starting school this term. We will be thinking of you all.

Look out for the Millfield's Walk email coming soon.

Love and God bless from the Hulland Hippos team:

Penny, Katrina, Hil, Shirley, Pauline, Doreen, Rosie & Elizabeth
