

HULLAND CHURCHYARD CHAMPIONS

Our aim is to increase biodiversity in the churchyard as well as getting the seasonal tasks done and ensuring memorials are looked after. We are very grateful for help from the community in these tasks.

**We meet on the 2nd Saturday of each month,
10 -12 noon.**

Our September work morning is this coming Saturday (9th).

***The choice of tasks will be raking hay up, mowing paths,
clearing bramble & ivy or painting 2 benches.***

Coffee & cake interval!

Please join us if you can.
