

April 2021

Dear all,

In a world of constant and rapid change, what a comfort to know that nothing ever surprises God. What's more, when our lives are deeply rooted in Him, we can live with the humble confidence that He will continue to guide our every step and provide for our every need. All praise to our gracious Father. Our compassionate prayers continue to go out to all those who have suffered in this tragic season.

The ministry in Cyprus continues to keep us busy, and we rejoice at the way the Lord is building His church here. This year has seen the new team at PCFI grow stronger in purpose and unity. We have witnessed many significant times of worship, prayer and fellowship. We praise Jesus for lives touched and changed by His grace. Our 'Charis' compassion ministry has continued practically to serve many in need.

Today, on resurrection Sunday we had the privilege of baptising a beautiful child of God. A local beach cafe allowed us to hold a short service there, as current restrictions prevent us from gathering on beaches. After a stormy week the sun shone and provided much need warmth early this morning for us all. An hour later at the church building, we had a wonderful celebration.

A man who lives locally to the church came to the service for the first time. He was going to go to the Mormon Church, but felt led to come to our service instead. He very clearly enjoyed his time with us and he said the message spoke to him and he was really glad that he was there. All praise to our beautiful Saviour!

We have also been delighted to gain stronger relationships with the NTC Church and continue to invest into their great team and in their services too.

Thank you

Finally, we offer a massive heart felt thanks to you all, for the way you have journeyed with us in this past year. We have known your kindness and felt your prayers, and are blessed beyond measure because of you.

You are also in our prayers and we cherish the opportunity to walk this journey of faith with you. May you know the refreshing peace of Jesus in every step you take this coming year. We hope to see you very soon, via multi-media or in person!
