Eco Tip

In a heatwave, animals and birds need water too
 Instead of watering your lawn, leave out a water-filled container, like a casserole dish, for birds to drink from and wash. Thirsty bees and other insects will need a saucer or bowl with water and stones in it for them to stand on.

Next Sunday: 2nd July - 4th Sunday after Trinity

“Thank you” for your prayers for Alfie....

Alfie Dennison recently “rang the bell” at Frimley Park Hospital to signify the end of his treatment for lymphoma! He is now 6 years old and for over half his life he has received various treatments. His planned programme has now finished, but of course he will be monitored.

The Dennison family are so grateful for all the wonderful treatment and care he has had from the doctors and nurses at the hospitals, also from the district nurses and many supportive friends. They would also like to say thank you for your faithful prayers over the years (*He has been on our prayer list for 3 years!*).

Above all we give thanks to God for His healing touch on Alfie’s life.
