## Eco Tip

In the car switch your engine off if you pull over or are stuck in traffic for even a minute. It saves you fuel, reduces the nitrous oxide pollution for you and those around you and cuts noise pollution.

### **A Small Change to the Pews News:**

During the summer there will be a change to the 'Anniversary of death' section of the Pews News. Currently it is almost exclusively names from Hulland Church Book of Remembrance. In order to enable it to be representative of the *whole* Benefice we will be doing the following:

- putting names in for the *first* anniversary of death only (*for those people who have had their funeral conducted by one of our clergy*)
- names from more than a year ago can be added if requested
- names published on the Sunday are for the week ahead
- names should be submitted in time for publication

We hope this change will be helpful to all in our United Benefice.

**Rev Phil Michell will be off duty from Wednesday 26th July and will return on Wednesday 16th August.** For any pastoral enquiries, please contact our Curate, Rev Lisa Taylor. For any emergencies regarding the church buildings, please call the Archdeacon's office on 01332 388658.
