Get to know your local green space.
 Swap a coffee shop catch-up for a wander in the wildest spot near you. Take time to observe the different plants and animals that dwell here. Are there edibles in your local green space too?

Our Christmas 'project' this year is making a variety of Christmas tree decorations to give out to our communities with Christmas messages on them.

We will be sorting and tying tags onto them on Thursday 30th November at 9am at Hulland Church. The more help we have, the quicker it will be done!

Please bring your creations to church then, or drop them off at the Rectory by the 29th. We shall distribute them around our villages on the evening of Sunday 3rd December. Please let your churchwarden(s) know if you can help with this.

Congratulations to Kniveton Church who have achieved their Bronze Eco-church award. Thank you to all who have contributed to this project. Next step..... Silver!
