Eco Tip

Can you see how it could be done better?

If you are aware of a policy that you think needs changing or have identified how something could be done better to help protect the environment - why not write to your MP or another relevant body about it.

Your letter could make a difference.

Our Christmas 'project' this year is making a variety of Christmas tree decorations to give out to our communities with Christmas messages on them.

We will be sorting and tying tags onto them on Thursday 30th November at 9am at Hulland Church. The more help we have, the quicker it will be done!

Please bring your creations to church then, or drop them off at the Rectory by the 29th. We shall distribute them around our villages on the evening of Sunday 3rd December. Please let your churchwarden(s) know if you can help with this.
