An Invitation

I'm sure we all want others to join in with the various services and events we have planned running up to Christmas. People who don't often come to church are most likely to come if they receive a personal invitation from someone they know.

So.... who will you invite?

Go on, give it a try - you might be pleasantly surprised at the response.

Eco Tip

Did you know....

You can now buy **paper tape** for when you are wrapping presents. If you use it with recyclable paper, it can **all** be recycled afterwards.
Use it instead of the usual plastic sticky tape.
